OPTOMAP® RETINAL EXAM

In order to bring you the latest and most advanced technology in eye healthcare, the doctors at Eyes of Oregon are proud to offer you the Optomap® Retinal Exam.

Eye conditions such as macular degeneration, glaucoma, retinal holes or detachments, and systemic diseases such as diabetes, stroke, and high blood pressure can be captured and assessed with the inclusion of an Optomap® Exam in your appointment today. In addition, but not limited to, the Optomap® Exam offers:

- **An eye wellness scan is similar to annual dental x-rays.**
- **A way for you to see what the doctor sees.**
- **An educational tool that the doctor can use to visually explain the health of your eye.**
- **A permanent record for your medical file that can be used to track the health of your eyes and diagnose potential eye problems early, reducing the possibility of vision loss.**

At \$39, an Optomap® Exam is an inexpensive way to not only learn about your eye, but also use cutting edge technology to assess and track the health of your retina, optic nerve, and many other parts of your eye.

_____ **Accept Optomap® Exam***

_____ **Would Like More Information**

Signature: _____ Date: _____

*Dilation may still be recommended based upon Doctor's diagnosis.
